A Message from Our President

Last month's meeting was a great success! Alan Perlman gave a very informative presentation on "Editing With Luminar" as well as describing what he sees as the future of editing software in general. It left us with a lot to think about!

This month's meeting is a Print Competition. Remember that each member may submit up to six images for critique and scoring. Non-members may participate and have their images critiqued and scored, but are not eligible for awards.

Without question, HVPPSny print competition has helped me become a better photographer. Looking at the images (my own and those of other photographers) and listening to the comments of the judges has guided me toward considering so many more things before taking the picture. The result is my eye is much better now than ever; and my images have much more depth to them. I encourage all photographers interested in improving their image making to come to this meeting and either enter some images of your own for anonymous critique, or just watch and listen to the judges' comments. Either way, you will learn a lot! Remember to get your images to Eli at esp377@optonline.net by 9 AM Monday morning, May 13. Feel free to contact me at info@hvppsny.org if you have any questions!

See you May 15th!

Steve Moses
