"HV April Image Critique"

Deadline:

Sunday, April 16 @ 6pm

WHO ISN'T LOOKING FOR THAT BLUE RIBBON?!

The truth is we all are, and May is Hudson Valley's next Image Competition!

In April, Hudson Valley is hosting an open forum to discuss and give feedback for *your* images from *your* peers! Those extra sets of eyes may see things you don't, and their suggestions may be the difference between getting that merit or not. Plus we all know how difficult finding the right title can be, and we are here to help with that too!

So gather your images and send up to 6 images to Sherrie no later than Sunday, April 16th. See submission requirements on the left.

NOTE: This is NOT a competition.

A Message from Our President

We will not be meeting this month. I have been out of town a lot and, along with other commitments, have not been available for meetings with the board and have not planned a meeting for this month. If anyone is interested in organizing a meeting, please let me know.

In April, there will be an “Image Critique & Titling Forum” with Sherrie Fryxell as Moderator. This meeting will be live a Perkins in Newburgh. An Image Competition is scheduled for May.

PPSNYS, the state organization, is up and running. On March 8th, a headshot party was held in Amsterdam, NY. This event was billed as an in-person Meetup where you could network with other state members and have professional headshots taken for your listing on the PPSNYS website. On April 23, an all day Posing intensive will be held at the Quality Inn in Waterloo, NY. If you would like to join or renew your membership to PPSNYS, you can do so here: <https://ppsnys.org/>

Meet the 2023 PPSNYS Workshop Instructors:

Mark Bowie

Waterfalls, Trees, Landscapes & Night Sky

The class will be spent exploring the vistas carved out during the glaciers as well as some of the many waterfalls in the area from Watkins Glen and some lesser known. Instruction in the classroom as well as out in the field exploring some unique areas to create some wonderful landscape, trees and stream images.

Karen McCall

From Drab To Fab! Photoshop Class

In the Drab To Fab! Photoshop Class at the PPSNYS Workshop, you will learn how to use all the tools in Photoshop to create a work of art or simply do corrective painting.

Fuzzy Duenkel

Mediocre To Marvelous Portraits

Fuzzy is a master at outdoor and indoor lighting techniques similar to those used in the fashion/commercial industry, but scaled down for the photographer who chooses to work without an assistant. Fuzzy's choices of equipment (to buy or build) are also keys to help rather than hinder creativity. This workshop is guaranteed to teach you key techniques and give you a fresh perspective.
