A Message from Our President

Hi All,

Thank you to Sherrie Fryxell for Moderating our Image Critique and Titling Forum in April. Hopefully, it helped everyone to find improvements that could be made and helped with finding great titles for the images.

Our May meeting on Wednesday, May 17 will be a Print Competition and it will be via Zoom. The Zoom link for that meeting will be sent out shortly. Remember to get your images to Eli Sloves on time. All the details and rules can be found on the front page of this newsletter.

Remember that during May, there are many workshops being offered by PPA. Quite a few will be in New York and some of those will be run by very talented friends who we have had as speakers at our meetings including: Roamy Fils-Aime, Sherrie Fryxell, Rob Near and Sandra Foyt (from Capital Champlain). Go to <https://www.ppa.com/events/photography-workshops/find-a-workshop> to see all of the PPA workshops available in May.

Hope to see you, virtually, on May 17!

Meet the 2023 PPSNYS Workshop Instructors:

Mark Bowie

Waterfalls, Trees, Landscapes & Night Sky

The class will be spent exploring the vistas carved out during the glaciers as well as some of the many waterfalls in the area from Watkins Glen and some lesser known. Instruction in the classroom as well as out in the field exploring some unique areas to create some wonderful landscape, trees and stream images.
Learn more about Mark at:

Karen McCall

From Drab To Fab! Photoshop Class

In the Drab To Fab! Photoshop Class at the PPSNYS Workshop, you will learn how to use all the tools in Photoshop to create a work of art or simply do corrective painting.

Fuzzy Duenkel

Mediocre To Marvelous Portraits

Fuzzy is a master at outdoor and indoor lighting techniques similar to those used in the fashion/commercial industry, but scaled down for the photographer who chooses to work without an assistant. Fuzzy's choices of equipment (to buy or build) are also keys to help rather than hinder creativity. This workshop is guaranteed to teach you key techniques and give you a fresh perspective.
